

TOWN OF INUVIK

Notice to Bidders

Bid for: Utilidor Replacement, Block 12, 2012

Sealed envelopes containing Bids clearly marked "Utilidor Replacement, Block 12, 2012" and addressed to Town of Inuvik, Town Office, 2 Firth Street, P.O. Box 1160, Inuvik, NWT, X0E 0T0 shall be received at the offices of the Town of Inuvik before 2:00:00 p.m., local time, on March 2, 2012.

The Work generally comprises:

- Removal and replacement of existing utilidor from Lot 10, Block 12 westward Lot 14, Block 12. All removals are Corrugated Metal Shell (CMS) style. Existing water and sewer pipes are asbestos cement. Utilidor bends and transitions are of various designs involving some or all of steel piles, steel structures, and concrete blocks.
- Earthwork along the project route as needed for construction purposes and as needed to leave the route properly graded with good drainage and a neat final appearance.
- Making connections to existing utilidor at project limits.
- The total length of new utilidor, including road crossing, is approximately 165 m. New water and sewer mains are 200 mm insulated cement lined steel pipe.
- Installation of 32 steel piles.
- Reconnection and/or replacement of 10 service connections (utilidettes).
- Provision of temporary facilities to maintain piped delivery of water and sewage services throughout the project area.
- All other work as detailed in the specifications and shown on the Contract Drawings

Copies of the Bid Documents can be obtained from the offices of the Town of Inuvik and at the offices of AECOM Canada Ltd., 17203 - 103 Avenue, Edmonton, AB on or after February 13, 2012, upon receipt of a \$100.00 non-refundable deposit by cheque, made payable to AECOM Canada Ltd.

Bids should be accompanied by Bid Security in the amount of ten percent (10%) of the Bid Price, payable to the Town of Inuvik. Failure to provide Bid Security will be a factor taken into account when awarding the contract.

Inquiries regarding this Project shall be directed to:
